### **K-PAL and community relations activities postponed until further notice**

The Kaua'i Police Department is announcing the postponement of all K-PAL and community relations events beginning this weekend until further notice, due to public health concerns regarding Novel Coronavirus (COVID-19).

"In an effort to continue to keep our community members healthy, including our keiki, we are taking preventative measures against the spread of COVID-19 and suspending our community-related events," said Assistant Chief Bryson Ponce. "We will resume activities as soon as possible and, in the meantime, thank you for your understanding and patience."

Among the activities that have been postponed are any and all K-PAL practices, as well as the basketball season. Please contact Sgt. Lance Okasaki at 808-241-1674 for further information.
