News Release

For Immediate Release: March 4, 2020

Water service shutdown reminder for a portion of Pu'uopae Road, Kalama Road, Kipapa Road and Holio Road on March 5

KAPA'A – The Department of Water (DOW) reminds customers of a water service shutdown scheduled for a portion of Pu'uopae Road; between Opaeka'a Road and Kalakea Road, and includes Holio Road, Kalama Road and Kipapa Road in Kapa'a. Water service will be unavailable on Thursday, March 5th, from 9 a.m. to 3 p.m., weather permitting.

The 6-hour water service shutdown is necessary in order to allow a private contractor, Drayko Construction, Inc. to tie-in a new water line to the existing water system.

Customers located in the affected area are advised to prepare for the service shutdown by taking the following steps:

- Store enough water to meet your needs during the shutdown.
- Notify family, friends, tenants and neighbors that may be affected by the service shutdown.
- Those with faulty water heaters should ensure that water heaters do not empty during the shutdown.
- Businesses should plan appropriately prior to and during a service shutdown.
- To monitor updates online, visit www.facebook.com/KauaiDOW.

For more information, please call the Department of Water at 245-5461.

-continued-

The affected area in Kapa'a, is highlighted in yellow on the map above.
