For Immediate Release: April 14, 2017

## **Water conservation request lifted for Wainiha residents**

WAINIHA – The water conservation request for residents on Powerhouse Road in Wainiha has been lifted as of 7:30 a.m., Friday, April 14, 2017. Customers may return to normal water use.

Emergency repairs to a main line break near Kuhio Highway were completed and water systems in the area are currently in full operation.

The Department of Water would like to thank customers for their conservation efforts and patience. No water outages were reported.
