### **Roadwork in Molokoa Subdivision scheduled through Feb. 6**

LĪHU'E – The Department of Public Works is announcing that GP Maintenance Solutions has roadwork in Molokoa Subdivision in Līhu'e scheduled on weekdays, from 7:30 a.m. to 5 p.m., through Feb 6.

The scope of the work includes asphalt cracks cleaning, filling, and sealing. Portions of the subdivision will be affected.

Please see the map below for specific locations and be on the lookout for road work signs as this is a good indication that work is in the area and make the appropriate arrangements to accommodate the necessary road closures. Street parking within the work zones will be not allowed and any vehicle left on the street in the work zone after 7:30 a.m. will be towed at the driver's/owner's expense. Contact KPD at 241-1711 for towed vehicles.

For questions regarding this project, please contact John Kerston of GP Maintenance Solutions at 808-864-0323.
