### **IMPORTANT HAZARD NOTICE**

**Large, loose boulders continue to fall onto the roadway below. Please DO NOT cross or approach the rockfall site at any time. Doing so could result in severe injury or death. To ensure the safety of all residents and workers, officials are working to confirm 24/7 security service at the rockfall site.**

### **Road Closure and Slope Stabilization**

Starting today, Tuesday, January 11, contractors are securing the Waimea Swinging Bridge from further damage. This work is expected to take roughly four days, from Tuesday through Friday. Slope stabilization activities will continue once the bridge is secure.

Menehune Road is expected to remain fully closed for roughly three weeks, until the slope above the roadway can be stabilized and is deemed safe for daily passing. Contractors are working seven days a week from 7 a.m. to 5 p.m. until the slope is stabilized.

### **Waimea Swinging Bridge**

Contractors continue to assess damage to Waimea Swinging Bridge. However, repair work to the bridge cannot begin until the slope is stabilized. Given the historic nature of the bridge, we expect this to be a long-term repair project.

We realize this pedestrian bridge is an important point of access to our Makaweli residents and we will continue to work with residents on continued needs. Makaweli residents requiring assistance are urged to contact KEMA at numbers listed below.

### **ONE-TIME Vehicle Access Out of Menehune Road**

As Panini Road access is available for residential 4 x 4 usage only, we understand some vehicles necessary for transportation may not be able to use that route.

Today, Tuesday, January 11, about a dozen vehicles were relocated OUT of the affected area through Menehune Road. Contractors cleared a temporary path today.

### **Food Distribution**

The Kekaha Ag Association, E Ola Mau Na Leo O Kekaha, Hawai'i FoodBank – Kaua'i Branch (HFB-Kaua'i), and Kumano I Ke Ala organized a food distribution today, January 11, for the affected residents in Waimea Valley.

The next food distribution is planned for Friday. If needed, further food distributions will take place with the continued closure of Menehune Road.

Mahalo to the additional partners who contributed to today's food distribution:

- **KIUC** provided bags to pack food donations,
- **HFB-Kaua'i** procured the food, with additional food donated from **Chad Buck of Hawaii Foodservice Alliance** to HFB-Kaua'i),
- **Waimea Hongwanji** provided space to stage and assemble household food donation bags,
- **West Kaua'i Christian Center** provided volunteers to pack bags for distribution,
- **County officials** delivered food via Panini Road to affected households on Menehune Road,
- **Council Member Billy DeCosta** brought food to the households in Makaweli valley.
- **Council Chair Arryl Kaneshiro, Hawai'i Community Foundation, Kamehameha Schools, Vandersloot Foundation, and Nourish Kauai are also supporting partners.**

### **Refuse Service**

**Refuse collection was conducted today, Tuesday, January 11.** Residents are asked to leave their bagged trash in their refuse carts next Monday, January 17, for early-morning pickup on Tuesday, January 18.

For those without cans, please leave your bagged household waste in a covered trash receptacle at the side of the road immediately adjacent to your driveway. Trash receptacles must not exceed 50 pounds, and more than one covered receptacle may be used.

To ensure efficient pickup, please double bag your household trash and place in your County issued refuse carts. Bulky items, green waste, and loose trash will not be collected at this time.

### **Panini Road Emergency Access Route**

The State Department of Land and Natural Resources (DLNR) has opened an alternate emergency access route from Waimea Canyon Drive, known as Panini Road. The Panini Road access is limited to local residents and first responders via 4 x 4 usage only.

### **Utilities**

All utilities in the area have been restored, including power, water, phone and cable/internet services.

As a reminder, with internet service restored, this daily newsletter will be available online. To view, visit [www.kauai.gov/kema](http://www.kauai.gov/kema) and click on the blue button at the top of the page labeled “Waimea Valley Rockslide.”

### **Wellness Checks and Needs Assessments**

KEMA continues to coordinate door-to-door wellness checks to residents along Menehune Road and on the Makaweli-side of the river. The wellness team is being led by KEMA and Community Liaison Kaina Makua of Kumano I Ke Ala community non-profit.

Mahalo to our community partners who have donated food, pet food and other supplies. If you have any need during the road closure please relay that information to our wellness team and KEMA will coordinate delivery. All contact numbers are included below.

### **Kupuna Care**

The county’s Agency on Elderly Affairs is conducting wellness checks specifically for kupuna in the area, age 60 and older. If you have a kupuna that has not yet been contacted by the Agency on Elderly Affairs, please contact their office at (808) 241-4470.

The Elderly Affairs team conducted door-to-door outreach with kupuna care packages today, Tuesday, January 11.

### **Postal Service**

We continue to work with USPS officials to establish mail service. Updates will be provided once confirmed.

### **School/Education Needs:**

Families with school-aged children who have limited internet access were provided MiFi devices by DOE to assist children with distance learning options during the road closure. If you have a school-aged child who needs assistance with distance learning options, please contact KEMA at the number below.

### **Important Contacts:**
