

Class 3 Road Test Vehicle Requirements

The applicant is required to provide the vehicle that is to be used for the road test and meet the following requirements:

1. The vehicle must meet all Safety Standards.
2. Provide a current and valid safety inspection certificate.
3. Provide an original current Certificate of Motor Vehicle Registration.
4. Provide an original valid Hawaii Insurance Identification Card.
5. Both the information on the Certificate of Motor Vehicle Registration and the Hawaii Insurance Identification Card must match and include the following information:
 - Name of Registered Owner.
 - Make and Serial Number (Vehicle Identification Number – VIN) of the vehicle.
 - Names of the Insured and Insurer, Policy Number and Effective Dates of Coverage. If there are two registered owners, the insurance card must show at least one of the names. If the vehicle is leased, the insurance card may be in the name of either the leasing company or the lessee. However, if the insurance card shows the name of the lessee, you must provide proof of the lease agreement.
6. A rented vehicle may be used for the road test **only if** the applicant has a valid out of country drivers' license accompanied by an international driver permit and meet the following conditions:
 - a. The applicant's name must be listed on the rental agreement.
 - b. Obtain the vehicle's original current Certificate of Motor Vehicle Registration and a Hawaii Insurance Identification Card from the Rental Company.

The Examiner of Drivers may reject any vehicle which is deemed unsanitary or unsafe.

Road test may be cancelled by the Examiner of Drivers due to inclement weather or unforeseen emergencies, as deemed necessary without notice to the general public. However, you must call again to reschedule your appointment.
