1. Provide a description of the polystyrene foam food service container(s) at issue.
2. Explain why the polystyrene products are required.
3. Provide an estimate of the monthly quantity of the product used.
4. Provide the factual basis to support the requested determination that use of compliant food service containers would cause the applicant significant hardship and there is no affordable compliant alternative.

Note: In considering whether the applicant may experience a significant hardship, the Director may consider factors such as the applicant's gross revenue, adjusted gross income, or average operating profit for the preceding five years; the cost to switch to non-polystyrene food service containers; and the effect of compliance on applicant's cost to operate its existing business.

5. Attach copies of any previously granted exemptions allowing your use of polystyrene.
6. Attach a copy of your business license.
