SECTION 14. Where a vacancy in an authorized position creates unexpended moneys in the salary account or if there are sufficient moneys in the Criminal Assets Forfeiture Fund of the Kaua'i Police Department, the Chief of Police, with the approval of the Mayor and the County Council, may hire a maximum of twelve (12) additional Police Service Officers over the number of authorized Police Service Officer positions. If any person is hired under this Section, the Police Chief is required to promptly report the appointment to the County Council. SECTION 3. The Director of Finance is authorized to create accounts and project codes to define and detail project expenditures under the respective projects listed under SECTION 2. These expense accounts shall include salaries, fringe benefits, and other project-related costs. The establishment of new projects, items, and/or accounts, or the transfer of moneys from one project to another project requires amendment to the Capital Budget Ordinance. The Director of Finance is authorized to transfer moneys between accounts within a project.

SECTION 4. The appropriations in SECTION 2 are limited to design, plans, land purchases, site preparation, improvements to land, and construction. Appropriations for planning and equipment purchases shall be used exclusively for the designated projects in SECTION 2. Any change in the equipment appropriation in this Ordinance shall require County Council approval.

SECTION 5. No moneys shall be expended for any Capital Improvement Projects other than those listed in SECTION 2, except moneys that are encumbered in prior fiscal years for other projects. No moneys shall be transferred or expended from any unappropriated surplus project contingency accounts without amendment to the Capital Budget Ordinance.

SECTION 6. Pursuant to the Kaua'i County Code 1987, as amended (KCC), Section 6-12.2(b) and (c), and Ordinance No. 641, all grant applications shall be submitted to the County Council for consideration of a grant award. This provision shall apply to all departments or agencies of the County of Kaua'i that are requesting grants from the Federal or State government, or any outside source. No payment shall be authorized or made, and no obligation incurred against the County, utilizing moneys from the Federal or State government, or any outside source, or in anticipation or receipt of such moneys, unless written approval is obtained from the County Council and an account is first established. Any moneys not expended or encumbered at the end of the fiscal year are retrospectively reappropriated for the specific purpose for which they were initially received. This provision applies to all grants and Federal, State, or private financial assistance for emergency disaster relief. If any provision of this proviso jeopardizes the receipt by the County of Kaua'i of any Federal grant-in-aid or other Federal allotment of moneys, such provision may, insofar as such receipt is jeopardized, be waived by the County Council upon the recommendation of the Mayor, pursuant to Ordinance No. 641.

SECTION 7. The County Engineer shall provide written quarterly status reports (September 30, 2024, December 31, 2024, March 31, 2025, and June 30, 2025) to the Mayor of each project contained in SECTION 2. The Mayor shall submit the quarterly reports to the County Council no later than thirty (30) days after the close of each quarter. The reports shall contain:

- (1) Construction schedules with milestone performance dates;
- (2) Budget appropriations including State and Federal matching funds versus actual cost, including the percentage difference, if any; and
- (3) Any expenditures or encumbrances to date.

SECTION 8. All contracts shall comply with Act 90 (Session Laws of Hawai'i 2001), relating to privatization of government services.

SECTION 9. For all Capital Improvement Projects that use \$250,000 or more of County moneys, construction signage indicating the name of the project, estimated cost of the project, project description, estimated start and completion dates, name of contractor, and contractor contact information shall be posted for public information purposes.

SECTION 10. Pursuant to Section 19.15(B) of the Charter of the County of Kaua'i (Charter) and Ordinance No. 1021, there is hereby created a "G.E. Tax Fund CIP," for expenditures, as allowed by law, related to capital costs of public transportation systems and expenses in complying with the Americans with Disabilities Act of 1990. The Director of Finance shall use Generally Accepted Accounting Principles and procedures.

SECTION 11. Pursuant to Charter Section 19.15(B), there is hereby created a "Public Access, Open Space, Natural Resources Preservation CIP Fund," for expenditures related to capital costs for purchasing or otherwise acquiring lands or property improvements as outlined under KCC Section 6-14.1.

SECTION 12. The "Contingency Fund" is designated for project change orders and unforeseen expenses, on condition that such expenditures do not substantially alter the original project scope. Additionally, withdrawals from the Contingency Fund should not exceed the lesser of \$100,000 or ten percent (10%) of the project's authorized budget.

SECTION 13. If any provision of this Ordinance or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this Ordinance that can be given effect without the invalid provision or application, and to this end the provisions of this Ordinance are severable.

SECTION 14. This Ordinance shall take effect on July 1, 2024.
