SECTION 6. Pursuant to the Kaua'i County Code 1987, as amended, Section 6-12.2(b) and (c), and Ordinance No. 641, all grant applications shall be submitted to the County Council for consideration of a grant award. This provision shall apply to all Departments or Agencies of the County of Kaua'i that are requesting grant funds from the Federal or State government, or any outside source. No payment shall be authorized or made, and no obligation incurred against the County, utilizing moneys from the Federal or State government, or any outside source, or in anticipation or receipt of such moneys, unless written approval is obtained from the County Council and an account is first established. This provision applies to all grants and Federal, State, or private financial assistance for emergency disaster relief.

If any provision of this proviso jeopardizes the receipt by the County of Kaua'i of any Federal grant-in-aid or other Federal allotment of moneys, such provision may, insofar as such receipt is jeopardized, be waived by the County Council upon the recommendation of the Mayor, pursuant to Ordinance No. 641.

SECTION 7. The County Engineer shall provide written quarterly status reports (September 30, 2022, December 31, 2022, March 31, 2023, and June 30, 2023) to the Mayor of each project contained in SECTION 2, which shall include:

- a. Construction schedules with milestone performance dates;
- b. Budget appropriations including State and Federal matching funds versus actual cost, including the percentage difference, if any; and
- c. Any expenditures or encumbrances to date.

The Mayor shall submit the quarterly reports to the County Council no later than thirty (30) days after the close of the quarter.

SECTION 8. All contracts shall be in compliance with Act 90 (Session Laws of Hawai'i 2001) relating to privatization of government services.

SECTION 9. For all Capital Improvement Projects that utilize \$250,000 or more of County funds, construction signage indicating the name of the project, estimated cost of the project, project description, estimated start and completion dates, name of contractor, and contractor contact information shall be posted for public information purposes.

SECTION 10. Pursuant to Section 19.15(B) of the Charter of the County of Kaua'i and Ordinance No. 1021, there is hereby created a "G.E. Tax Fund CIP," for expenditures related to capital costs of public transportation systems and expenses in complying with the Americans with Disabilities Act of 1990 as allowed by law. The Director of Finance shall use Generally Accepted Accounting Principles and procedures in making such determination.

SECTION 11. The "Contingency Fund" may be used to fund project change orders and unanticipated costs, provided that there is no material change in the scope of the project and the amount utilized from the Contingency Fund does not exceed \$100,000 and 10% of the project's approved appropriation balance.

SECTION 12. If any provision of this Ordinance, or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the Ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this Ordinance are severable.

SECTION 13. This Ordinance shall take effect on July 1, 2022.
