Your offer for subject solicitation was timely received. However, upon review it has been determined that pursuant to Hawaii Administrative Rules 3-122-97(a)(2), we are unable to consider your bid for evaluation because your bid did not meet our solicitation's requirements and specifications as follows:

- 1) SCOPE OF WORK AND AWARD, ITEM IV STATE OF HAWAII MOTOR VEHICLE INDUSTRY LICENSE, PAGE 6

"Wherein applicable, Pursuant to Chapter 437, Motor Vehicle Industry Licensing Act, Hawaii Revised Statutes (H.R.S.), as amended, a bidder shall be properly licensed to sell motor vehicles within the State of Hawaii. Wherein applicable, the bidder shall list the license number in the questionnaire section."
