D. Affirmatively Furthering Fair Housing (AFFH).

D.1 Affirmatively Furthering Fair Housing. The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: "To implement goals and priorities in an AFH, strategies and actions shall be included in program participants' ... PHA Plans (including any plans incorporated therein) Strategies and actions must affirmatively further fair housing" Use the chart provided to specify each fair housing goal from the PHA's AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D., nevertheless, the PHA will address its obligation to affirmatively further fair housing in part by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintain records reflecting these analyses and actions. Furthermore, under Section 5A(d)(15) of the U.S. Housing Act of 1937, as amended, a PHA must submit a civil rights certification with its Annual PHA Plan, which is described at 24 CFR 903.7(o)(1) except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document.

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced the Annual PHA Plan. The Annual PHA Plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public for serving the needs of low- income, very low- income, and extremely low- income families.

PROGRESS REPORT
EXHIBIT A

EXPAND THE SECTION 8 HOUSING CHOICE VOUCHER TO 100% LEASE UP

Objective 1 – Expend 100% of the HCV Program’s Annual Budget.

- Achieve a monthly average of 1,000 active vouchers.
- Achieve an annual lease up rate of 60%.

The Housing Choice Voucher Program is maintaining an average of 885 leased up families in FY24. With the 2020 waitlist open and in active status, the agency is continuously pulling from the waitlist and working on reaching our goal of 1,000. 9 existing property PBV units were leased up in FY24, bringing the total PBV program units to 91. In FY24, 33 new construction PBV units are projected to be completed and leased up. 47 new construction PBV units are currently under AHAP and are set to be completed and leased up in FY25. Current lease up rate is at 65%.

Objective 2 – Issue 100 new vouchers yearly

- Contract 50% of maximum Project Based Voucher (PBV) issuance.
- Transition 50 Tenant-Based Rental Assistance (TBRA) Program families to the HCV Program.
- Process 500 new Waitlist applicants.

Currently, all completed and contracted PBV units have been leased up and over 2,200 waitlist applicants have been pulled and processed. In FY22, our HCV program received additional funds for 28 Emergency Housing Vouchers, in which we currently have 21 vouchers leased up and we are continuing the application process for voucher issuance and lease up as received from COC agencies.

Objective 3 – The Family Self-Sufficiency (FSS) Program will support the HCV program households to increase their earned income and to reduce the dependency on public assistance.

- Maintain a cumulative yearly enrollment of 125 households.
- Graduate 50 households who meet self-sufficiency standards.
- Assist 75 households with gaining employment.

Despite the continuous challenges after the pandemic and with the New Rule implementation, the FSS program continues to increase enrollment, expand activities, and provide direct services to its participants. For FY24, participation has held steady at 37 households, with 24 of those households increasing employment wages thus triggering increased escrow earnings. The FSS program and its associates are working to

restart outreach programs, workshops, financial literacy, and other collaborative efforts to assist participants. FSS program associates continue to assist participants individually to achieve their goals, increase their income, and successfully complete the program. This year, 9 households have successfully met their goals and graduated from the FSS program.

DEVELOP AND PRESERVE AFFORDABLE HOUSING AND SUPPORT COMMUNITY DEVELOPMENT

Objective 1 – Support the development of 2,000 new housing units

- The County will develop 125 units per year.
- Execute Development Agreements via public-private partnerships (P3).
- Bring one Low-Income Housing Tax Credit (LIHTC) project to Kauaʻi annually.
- Complete pre-development work.
- Leverage HUD funds to develop.
- Support CIP infrastructure projects.

In 2023 the County and its private partners broke ground on 220 affordable homes and secured financing and entitlements for an additional 280 units. This comes on top of 270 affordable units developed since 2020.

Objective 2 – Preserve the long-term affordability and existing stock of affordable housing inventory.

- Expand Homebuyer Program to build portfolio of affordable single-family homes.
- Continue and expand Limited Appreciation Leasehold program.

The Housing Agency sold two (2) single-family homes to low-income households and continues to pursue the purchase of single-family homes to also be sold to low-income households.

Objective 3 – Generate \$25 million of economic investment for the County.

- Timely expend federal funds.
- Prioritize housing and community development projects that minimally leverages five dollars of funds for every one dollar of Housing Agency funds.
- Infuse County's rental market with \$8.5 million of rental assistance payments.
- Commence construction on one affordably housing project per year.

The Housing Agency continues to strive to meet Federal timeliness tests to expend federal funds in a timely manner. In 2023 alone, new affordable housing projects represented \$107 million in investment.

DEVELOP AND EXPAND COUNTY HOMELESS SERVICES

Objective 1 – Build a second Supportive Housing Project on the Kealaula Model.

- Identify a site and complete second project in west Kauai.
- Learn from existing Kealaula model to implement sustainable supportive services program.

In 2023 we broke ground on a new 32-unit Supportive Housing Project in 'Ele'ele. This project is currently under construction and expected to be completed by April 2024. Additionally, we are working on pre-development planning for a third Supportive Housing Project in east Kauai, and to double the current capacity of our existing Kealaula Supportive Housing Project in Lihue.

Objective 2 – Support Homeless Solutions.

- Provide support services for permanent housing.
- Build a cooperative relationship with traditional state based homeless programs.
- Expand membership in the Kaua'i Continuum of Care.
- Implement the Coordinated Entry System and Housing First model.

The Housing Agency participated in more than a dozen homeless service outreach events in 2020 and 2021, bringing non-profit groups together to offer coordinated outreach services at designated homeless encampments.

Since opening in November 2020, supportive housing project Kealaula on Pua Loke has housed more than 70 households including over 150 individuals. In 2021, KCHA partnered with a local non-profit through the Community Development Block Grant on a mobile hygiene trailer for the houseless community. The new affordable housing project, Pua Loke Apartments, has five units dedicated to participants from the Coordinated Entry System. In 2022, KCHA's homeless coordinator was elected the vice-chair of the Continuum of Care, Kauai Community Alliance.

Objective 3 - Expand Tenant Based Rental Assistance Program for Homeless families.

- Achieve a monthly average of 50 active vouchers.
- Expand cooperative relationship with Kauai Continuum of Care caseworker partners.

During the waning months of the Covid pandemic in 2022, we made the strategic decision to wind down our TBRA voucher program for homeless individuals and to refocus our efforts on HUD's new Emergency Housing Voucher Program, also targeted at

homeless families. This consolidation of our voucher efforts under the HCV and EHV programs were made possible by new infusion of funding into these programs which rendered the TBRA program redundant in the near term. If the funding picture changes we are poised to reactivate the TBRA program if needed.

INCREASE FINANCIAL CAPACITY TO SUPPORT THE STRATEGIC PLAN

Objective 1 – Increase public awareness of the Housing Agency and its services.

- Represent the Housing Agency on public advisory boards and task forces.
- Conduct public outreach workshops focused on housing programs.
- Assist families to obtain home ownership.

The Housing Agency continues to participate in advisory boards like the Affordable Housing Task Force, Transit Oriented Development (TOD) board, and the Governor’s Build Beyond Barriers Task Force.

Housing Agency staff assists potential homeowners through our Home Purchase Program and Homebuyer Loan Program. In 2021, the homeless coordinator began hosting Lunch & Learns and training for a variety of subjects such as nonprofit presentations, Narcan opioid overdose prevention, and KCHA housing vouchers.

The Director regularly participates in public speaking opportunities, recently making presentations to the Kauai Board of Realtors, the Lihue Business Association, the Chamber of Commerce, and the State Annual Homelessness Solutions Conference.

Objective 2 – Support legislative policies that promote the development of affordable housing.

- Build stable funding stream for County Housing Development Fund.
- Implement revenue bond program to expand financing options for “gap group” housing.
- Provide administrative support and applicable exemptions to qualified projects.
- Enforce workforce housing requirements of the County Housing Policy

At the end of 2020 County amended the Housing Policy to reduce the inclusionary zoning burden and further incentivize affordable housing development. The Housing Agency also recently promulgated new Administrative Rules to implement incentive programs to promote the construction of Affordable Rental Units.

In 2022 we implemented a Private Activity Bond Program issuing \$25 million in tax exempt bonds to fund two affordable projects and secured an amendment to the County Code guaranteeing that a minimum of 2% of real property tax revenue will be allocated to the County Housing Development Fund annually.

Objective 3 – Support the professional growth of the Housing Agency staff.

- Conduct annual staff performance evaluations and provide adequate training for professional development.
- Compose operational manuals for each Division.
- Create an electrical central library of Housing Resources.

Staff performance evaluations continue to be conducted and staff are strongly encouraged to take advantage of subject specific training opportunities as they become available.

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___x_ 5-Year and/or ___x_ Annual PHA Plan, hereinafter referred to as "the Plan", of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the PHA fiscal year beginning July 01, 2024, in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located (24 CFR § 91.2).
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments (AI) to Fair Housing Choice, or Assessment of Fair Housing (AFH) when applicable, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the public housing program of the agency in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d—4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), title II of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), and other applicable civil rights requirements and that it will affirmatively further fair housing in the administration of the program. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with the Fair Housing Act, title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, title II of the Americans with Disabilities Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of the program.
7. The PHA will affirmatively further fair housing, which means that it will take meaningful actions to further the goals identified in the Assessment of Fair Housing (AFH) conducted in accordance with the requirements of 24 CFR § 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR § 903.7(o)(3). - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
 10. DESCRIPTION OF REVISION OF EXISTING PHA PLAN ELEMENTS
EXHIBIT D

The proposed changes to the FY25 Annual PHA Plan contain significant revisions to Kauai County Housing Agency's Administrative Plan because of upcoming changes to the federal regulations enacted under the Housing Opportunity Through Modernization Act of 2016 (HOTMA).

HOTMA was signed into law on July 29, 2016 (Public Law 114-201, 130 Stat. 782). The HOTMA statutes consist of 14 sections of the law that affect the Housing Choice Voucher Program. The Final Rule was officially published in the Federal Register on February 17, 2023, and revises HUD regulations to put Section 102, 103, and 104 of HOTMA into effect. These sections make changes to the United States Housing Act of 1937, particularly those affecting income calculation, reviews, and program eligibility.

The following KCHA Administrative Plan Chapters contain revisions to policies that govern eligibility, selection, and admission:

- Chapter 1 – Overview of the Program and Plan
- Chapter 3 - Eligibility
- Chapter 6 – Income & Subsidy Determinations
- Chapter 7 – Reexamination
- Chapter 12 – Terminations of Assistance and Tenancy
- Chapter 14 – Program Integrity

EFFECTIVE DATE, COMPLIANCE, AND UPDATES TO PHA POLICIES:

The Department of Housing and Urban Development (HUD) requires that Kauai County Housing Agency (KCHA) have their plan and policies update with HOTMA regulations 75 days prior to the start of our fiscal year. KCHA fiscal year begins on July 1, 2024.

KCHA's compliance date will be determined when HUD's new Housing Information Portal (HIP) is accepting certifications, and KCHA's software vendor indicates that the PHA may begin submitting certifications to HIP. KCHA is currently awaiting more information from HUD on its HIP conversion date to establish the effective date of the Administrative Plan Changes.

KCHA's effective date of the Administrative Plan changes, effective 7/01/2024, will be on the date of software update and availability. Until that effective date, the currently approved and effective Administrative Plan will remain in place.
