Lima Ola Workforce Housing Development

A unique community is taking shape in beautiful 'Ele'ele on Kaua'i's west shore. Lima Ola will be a master-planned community of new residences that are affordable with a range of rental and homeownership. The Lima Ola Workforce Housing Development will eventually consist of approximately 550 new affordable housing units. Phase I is planned for 38 single-family homes and around 111 multi-family units. If you are interested in homeownership opportunities at Lima Ola or other related county residential properties, you must be a participant of the County's Homebuyer List. Those on the County's Homebuyer List will be given the first opportunity to purchase at Lima Ola. You must be a Kauai resident, first time homebuyer and have completed homebuyer education classes.
