### What is a Design Workshop?

Multi-day opportunity for residents, and property owners of the community to collaborate with a multidisciplinary team to craft a vision for future change and growth in Kapa'a and Wailua.

### How can I participate?

- Attend the **opening presentations** to understand the analysis done to date.
- Record and share your observations and ideas during the **walking tours**.
- See the design team at work and offer feedback during **open studio** and the **open house**.
- Provide feedback to the design team at the **closing presentation**.

Please RSVP at <https://bit.ly/47zLvdS> or scan the QR code for the bus and walking tour by September 27th, 2024.

Limited seating.

If you need an auxiliary aid or other accommodation due to a disability, contact Marie Williams at the Planning Department at 808-241-4050 or plankauai@kauai.gov as soon as possible. Requests made early will allow adequate time to fulfill your request. Upon request, this notice is available in alternate formats such as large print, Braille, or electronic copy.

## What is the Purpose of this Workshop??

The Design Workshop is intended to engage community members in envisioning how East Kaua'i will change and grow over time, while considering factors such as community character, multimodal transportation, connectivity, and community resilience. Visit the project website to learn more and join the mailing list: [www.plankauai.com](http://www.plankauai.com).

## What is...?

### Walking / Bus Tour

Site visits open to the public led by the design team, these give participants the tools and knowledge to explore, understand, and document ideas for their communities.

### Open Studio

Informal working sessions open to the public. Stop by to see what the design team is producing, ask questions and share ideas.

### Open House

Mid-week presentations open to the public. The design team will share their in-progress work and explain design concepts to get feedback.

### Opening + Closing Presentations

Presentations by the design team at the start and end of the design workshop to communicate the design intent and focus, and summarize the work done. These are a great opportunity for community members to understand design opportunities and challenges, ask questions, share their thoughts and provide feedback.

## Who is leading this Design Workshop?

The County of Kaua'i Planning Department is hosting this workshop with its consultants Opticos Design Inc. and SSFM International to inform the development of the East Kaua'i Community and Circulation Plan.
